Salary Calculation Rule: [Basic salary+Sum of All Wages(based on attendance)]+ Standard Calculate Days this month × Actural Working Days (max. Actural Working Days=Standard Calculate Days this month) + Sum of All Wages(based on times)

Customed Standard Calculate Days Each Month(Natural month days by default, you can change below. However, shore-based crews always default to the number of days in the natural month)

Salary days of each month on board *
