

How to Improve Crew Certificate in Crew Arrgt Interface

Users can log in to the website of OLSaaS, and operate in "Crew Management → Crew Arrgt" interface according to the following steps 1-6:

Maintenance Of Crew Missing Certificate

Description:

For the required certificate, shore-based personnel should first configure the certificate in the interface of "System Settings → Basic Data → Crew Certificate Configuration". If the crew of the corresponding rank lacks the necessary certificate, the icon will be displayed next to the crew name.
