

Web 端月度保养如何切换树状视图（文档）

用户登录互海通 Web 端，依次点击“维护保养→月度保养”进入月度保养界面，默认是“列表视图”，点击右侧箭头，选择“树状视图”。在树状视图界面，界面左侧可按责任人或按设备，展示保养任务。

The image shows two screenshots of the InterSea (互海科技) web application interface, demonstrating how to switch between list and tree views for monthly maintenance tasks.

Top Screenshot (List View):

- Header: 互海科技 | 工作台 23959 | 船舶监控 | 发现 | 切换系统 | 中文 | 朱慧
- Left Sidebar: 维护保养 (Maintenance) is selected.
- Main Content: 月度保养 (Monthly Maintenance) page. A dropdown menu is open, showing options for 列表视图 (List View) and 树状视图 (Tree View). A red arrow points to the 树状视图 option.
- Table: A table of maintenance tasks with columns: 保养编号 (Maintenance No.), ID, 设备名称 (Equipment Name), 保养项目 (Maintenance Item), 保养要求 (Maintenance Requirement), 负责部门 (Responsible Dept.), 负责人 (Responsible Person), 保养周期 (Maintenance Cycle), and 操作 (Action).
- Annotations: 1. 依次点击进入月度保养界面 (Click sequentially to enter the monthly maintenance interface). 2. 默认是“列表视图”，点击右侧箭头，选择“树状视图” (Default is "List View", click the right arrow to select "Tree View").

Bottom Screenshot (Tree View):

- Header: Same as the top screenshot.
- Left Sidebar: 月度保养 (Monthly Maintenance) is selected.
- Main Content: 月度保养 (Monthly Maintenance) page. The view is now a tree view. A dropdown menu is open, showing options for 按责任人 (By Responsible Person) and 按设备 (By Equipment). A red arrow points to the 按设备 option.
- Table: A table of maintenance tasks with columns: 保养编号 (Maintenance No.), ID, 设备名称 (Equipment Name), 保养项目 (Maintenance Item), 保养要求 (Maintenance Requirement), 保养周期 (Maintenance Cycle), and 操作 (Action).
- Annotations: 3. 在树状视图界面，界面左侧可按责任人或按设备，展示保养任务 (In the tree view interface, you can filter tasks by responsible person or equipment on the left side).
