

How to view the crew assessment (document) on the crew information interface

Log in to the OLISS Web side, Click to enter the "Crew Management → Crew Information" interface in turn, click anywhere in the row where the target crew member is located to view the details of the crew member's information. The basic information interface is displayed by default, switch to crew evaluation, click to enter the assessment details interface, and you can view the evaluation details in this interface.

The screenshot shows the OLISS Web interface. The top navigation bar includes "互海科技", "Workbench 28595", "Vessel Monitor", "Find", "Switching System", "EN", and "孙红梅". The left sidebar has "Crew Management" and "Crew Info." highlighted. The main area displays a table of crew members with columns: No., Crew Name, ID, ID Photo, Age, Rank, Cert. Level, Vessel, Crew Type, Sign-on/Sign-off, and Operation. A red box highlights the second row, and a red arrow points to it with the text "2. Click anywhere to view crew details".

Below the table, the "Crew Info Details" interface is shown. The top navigation bar includes "Basic Info.", "Bank Card Info", "Work Experience", "Crew Cert.", "Crew Contact", "Crew Evaluation", "Crew Tracking", and "Training Records". A red box highlights the "Crew Evaluation" tab, and a red arrow points to it with the text "3. Display 'Basic Info.' interface by default, switch to 'Crew Evaluation' interface".

The "Crew Evaluation" interface displays a table with columns: No., Rank, Vessel, On Board Time, Evaluation Type, Evaluation Form Name, and Evaluation Result. A red box highlights the first row, and a red arrow points to it with the text "4. Click to enter the Crew assessment details interface".
