

# How to view and export crew attendance statistics (document)

Users log in to the OLISS Web side, click to enter the "Crew Management → Crew Attendance" interface in sequence, and can search for target crew members based on keywords or filtering conditions. They can view the number of days the crew member has been on board. Click "Export" to export the crew attendance table.

3. Click "Export" to export the crew attendance table

2. You can search for target crew members based on keywords or filtering conditions

1. Click to enter the "Crew Attendance" interface

No.	Crew Name	Crew ID Number	1 Items Selected	Rank	Job Description	SignOn & SignOff Date	On Board Days	On Board or Ashore	2025-01	On Board Du	Total days
