Attachment:

⬆ Upload Attachment

5. In the vessel certificate editing interface, select the certificate type and confirm it.

💾 Confirm   ✕ Cancel

Vessel Cert.   Company Cert.

After customizing the classification of ship certificates, it is more convenient to directly view the types of target certificates in the certificate list. And support modification type.

Please Input Vessel Keywords 🔍   + Add   Certificate classification configuration   Associated Inspection Items ▾   ⬇ Import   ⬆ Export   Certificate Division ›   Keywords Searching 🔍   Reset ↻

No.	Cert. Name	Cert. Type ▾	Responsible De...	Issuing Authori...	Expiry Date	Next Inspect Date	有效 ▾	Validity ▾	Attachmen...	Latest Up...	Operation
1	船舶国籍证书	船舶证书 ▾	机务	无		舱底外部检验 2023-03-23	有效	8		互海科技... 2023-03-...	Edit | Delete

● 船舶证书

💾 Save   ✕ Cancel

Description:

The above is the certificate classification configuration for the ship certificate. For the company certificate, the operation steps are the same!
