

# How to add an annual maintenance plan (Document)

Users log in to the OLISS web side and click "Maintenance→Maintenance Plan Management" in order to enter the maintenance plan management interface, click "Add", select vessel and department, and click "Confirm" to enter the select maintenance plan interface. In the interface, click "Next Step" into the update maintenance plan interface. Click "Add" to enter the select eqpt. interface, filter devices by condition and click the "+" icon to the right of the target device. In add maintenance item interface, complete the relevant information (with \* required), and click "Confirm". Then return to the update maintenance plan interface, the update type is "Add", finally click "Submit".

1. Click in order to enter the maintenace plan management interface

2. Click "Add"

3. Select vessel, department information and click "Confirm"

The last submitter will be displayed in the "Submitter" column

No.	Maintenance Year	Vessel Name	Dept.	Numbers of	Submission Time	Submitter	Status	Operation
