

How to modify the storage location and person in charge

Users can log in to the website of OLSaaS, and operate in "Stock Management → Vessel Stock → Spare Parts" interface according to the following steps 1-5 (take spare parts as an example):

1. Click in turn to enter "Vessel Stock" interface (enter spare parts stock interface by default)

2. Click the target components of the equipment and the spare parts list will appear on the right

3. Click anywhere in the target spare parts column to view details of spare parts

Spares Name	Spars Type	Locati	Component Name	Dept.	Unit	Another Name/...	Current ...	不含税总价	Storage Location	Operation
超大螺母	M66		Marine Gearbox	轮机部	件	Minimum 0/Max 0	51	CNY816.00	备件库	Stock-in Stock-out more-
大等齿狂箱	M68×35		Marine Gearbox	轮机部	件	Minimum 0/Max 0	16	CNY0.00		Stock-in Stock-out more-

4. Click here to edit stock details

5. Modify the storage location and the person in charge according to the requirements

Edit Stock Details

Storage Location*
