

How to view supplier score on the web side (document)

After the purchase order is completed, users can evaluate the supplier's services, products, and other aspects based on the purchase order. The supplier score is a comprehensive score obtained by users after evaluating the supplier.

The user logs in to the OLISS Web side, and in the "Purchase Management → Supplier Evaluation" interface, the following steps 1-3 can be operated:

1. Click on Supplier Evaluation

2. Click "Supplier Score"

3. In this interface, you can view comprehensive ratings, product quality, delivery speed, and other information
