

How to approve the Annual Emergency Plan on the web side (document)

The user logs in to the OLISS Web side, and the default workbench interface. After clicking "Emergency Annual Plan-Approval" on this interface, click on the specific documentation to enter the Modified Plan Details (Approval) interface. After verifying that there are no errors on this interface, click "Accepted", "Withdraw" or "Reject".

The screenshot shows the OLISS Workbench interface. The top navigation bar includes the company logo, search, and user profile. The main content area is divided into sections: 'To-do List', 'Workflow Task (24)', 'Waiting Task(825)', and 'Reliable Safety Responsibility'. The 'Workflow Task' section contains several task cards, with 'Emergency Year Plan—Approve(4)' highlighted in a red box. A red arrow points from the 'Workbench' label in the top bar to the 'Emergency Year Plan—Approve(4)' task card. Another red arrow points from the task card to the text '2. Click "Emergency Year Plan - Approve" under Workflow Task'.

1. After logging in to the OLISS web side, the user will enter the workbench by default

2. Click "Emergency Year Plan - Approve" under Workflow Task

The screenshot shows the 'Annual Em'cy Plan —Approve' interface. The top navigation bar is the same as the previous screenshot. The main content area features a table with columns: No., Vessel Name, Number of Plan Items, Type, Submission Time, and Status. The first row of the table is highlighted in a red box. A red arrow points from the text '3. Click anywhere in the target plan' to the first row. The table contains the following data:
