

How to recommend talents

Users can log in to the website of OLSaaS, and operate in "Recruitment Management → Recommended Crew" interface according to the following steps 1-4:

1. Click in turn to enter "Recommended Crew" interface.

2. You can quickly find the target by filtering.

3. Click to send an invitation message to the crew.

4. Select the rank and invitation content in the pop-up window, and click "Confirm".
