

How to deal with overdue or due vessel certificates (documents)

According to the setting of vessel certificates by shore-based personnel, for the certificates that are due or overdue, there will be a reminder at the workbench (generally at the Master's workbench).

In the Intersea Communication System, about to expire refers to imminent expiration and has already expired refers to overdue.

Users can log in to the website of OLISS ,and operate in **"Workbench → Waiting Task → Vessel Cert.(Due/Overdue) "** interface according to the following steps 1-4:

← Vessel Cert.(Deadline)

Export

2、 You can search for the target vessel certificate in the filter bar

No.	Vessel	Cert. Name	Cert. Type	Issuing Authority	Expiry Date	Next Inspection Date	Days Remaining	Attachment	Operation
1	LINK OCEAN 1	内河船舶防止油污证书	船舶证书	苏州交通运输局	2024-12-31	2024-12-31	5		Edit Delete
2	LINK OCEAN 1	内河船舶防止垃圾污染证书	船舶证书	苏州交通运输局	2025-01-01	N/A	6		Edit Delete
3	LINK OCEAN 1	内河船舶防止空气污染证书	船舶证书	苏州交通运输局	2025-01-14	N/A	19		Edit Delete

3、 The vessel certificate can be " Edit" or "Delete" as needed

Cert. Name *	Cert.Name(EN)
<input type="text" value="内河船舶防止油污证书"/>	<input type="text" value="Please enter"/>
Cert. No.	Cert. Type
<input type="text" value="810683013"/>	<input type="text" value="船舶证书"/>
Responsible Dept.	Issuing Authority
<input type="text" value="海事安全部"/>	<input type="text" value="苏州交通运输局"/>
Issued Date	Next Inspection Date <input type="radio"/> Associated Inspection Items

No.(The Smaller,The Closer)	Status
<input type="text" value="14"/>	<input type="text" value="Valid"/>
Remarks <input type="text" value="Please enter"/>	
Attachment: <input type="button" value="Upload"/> <input type="button" value="Delete All"/>	

Operation History

No.	Cert. Name	Cert. Type	Issuing Authority	Next Inspection Date / Expiry Date	Attachment	Operation Date
1	内河船舶防止油污证书	船舶证书	苏州交通运输局	2024-01-21 / 2024-08-31		2023-11-13 10:20

4、After modifying the vessel certificate according to the requirements, click "Confirm"

Description:

For the certificate that is due or overdue, users can also delete the original certificate, and then add new certificate in the "Vessel Certificate" interface.
